## President's Message

Hello, PRBC Members and Friends!

I'm excited about the health and growth of our club and the possibilities for our future! We started as a tiny group of seven committed Bloodhound fanciers in 1996 and now we are 40 members strong and growing every year. We have an enthusiastic group of officers and directors, lots of committed working members, and several great events planned for 2008. In the coming year I will focus on serving our membership, on welcoming new Bloodhound owners into our group, and "educate, educate, educate"!

Elsewhere in this newsletter you'll find a schedule of meetings for 2008; this schedule was designed with maximum participation in mind and was approved at our January meeting. The next meeting/get-together will happen on Saturday, May 3, at the home of our new Vice President, Sonnya Crawford, and I truly hope that you all can attend. Some members will be entered in a nearby dog show, but the bulk of this day is planned around diverse interests. We hope to offer CGC testing, EECT trails and an educational seminar, as well as a tribute to our Rescue Program adopters. There will also be a BBQ dinner and a club meeting open to all those interested. It promises to be a really fun day for everyone! Watch the website and your email inbox for more information. If you would like to help with this

event or have questions, please contact Sonnya at [drsonnya@gmail.com](mailto:drsonnya@gmail.com) or me at [themaja@comcast.net](mailto:themaja@comcast.net).

That's just the first of many events we have planned. Mark your calendars for Memorial Day Weekend's 3rd Annual Clyde Reed Memorial Trailing Trial at the Hartys' in Valleyford WA; August 2 and 3 for our 11th Northwest Regional Specialty in Auburn; and September 29 - October 4 for the American Bloodhound Club National Specialty in Long Beach CA hosted by our dear friends in Bloodhounds West, Southern Chapter.

I look forward to seeing and talking with all of you in the coming year. Feel free to contact me or any other Officer or Board Member with your questions, ideas, and suggestions. This is your club and we want to hear from you!

Until then, hug your hounds often. They are the reason for all we do.

Happy Trails,  
Suzi

## Meeting Minutes: Puyallup, WA January 13, 2008:

**Members present:** Tina Kocar, Kim Bialakowski, Betty Seigal, Sonnya Crawford, Suzi Paine, Janis Hardy, Katie Cole.

**Guests present:** Larry Law, Janet Law

The meeting was called to order at 10:05 by Susan Paine. Minutes recorded by Sonnya Crawford.

**Minutes of the Last Meeting:** Susan Paine read minutes of the most recent general meeting, held August 4, 2007 at Argus Ranch Facility, Auburn WA. Katie moved to accept the minutes and Janis seconded. The minutes were accepted.

Katie asked for discussion on a topic from the previous minutes and Susan approved the discussion. Katie asked about the new banner and why we are keeping the same colors. Tina said that her Aunt Sharon or Aunt Lavonne at Siglers would be willing to give us a bid and probably give us a good price on a new banner. There was a lot of lively discussion about design, color and size. Tina will send Suzi her Aunt's email and Suzi will pass it on to Kris so he can contact her to get another bid if the project is not yet finished. Everyone seemed to be in favor of the new banner being stark black and white or white with dark green print.

**Report of the President.** Susan Paine announced that since January 1, 2008, when the new officers began their term, the following has been accomplished:

- Janis Hardy has been elected as the new board member to fill

the position vacated when Susan Paine moved into presidency.

- Membership Chair, Marie Taylor, has been appointed in accordance with the new bylaws. (Kay & Stacey are writing job descriptions based on the duties that they have been fulfilling related to membership and sending those to Marie). We now have 38 members! PRBC was established in 1996 with 7 members.
- A challenge donation has been made for the 2008 Nationals (This has been done in the past to help raise funds for Nationals --one regional club makes donation and challenges other regional clubs to meet or beat that donation). The Challenge will be posted in the next ABC Newsletter.
- A meeting schedule for 2008 has been set.

Goals for the new year include improving our outreach to new members (a welcome letter included with the membership card was suggested), successfully hosting the scheduled events (trailing trial and Regionals) and helping with the 2008 Nationals. Suzi feels that it is really important for us to support California to the host the Nationals because they have supported us and many of those same people are members of our club.

### The Meeting Schedule is as follows:

Sunday, **January 13** - 10:00 AM, meeting at Suzi Paine's house, 8810 East G Street/Tacoma WA.

**Saturday, May 3** - (time to be announced) meeting and BBQ at Sonnya and Tim Crawford's house in Montesano, WA. We're hoping to host all our Rescue Adopters at this event and plans for possible CGC and EECT testing are in the works.

**Saturday, May 24** - (time to be announced) our 3rd annual Clyde Reed Memorial Trailing Event, meeting and get-together at Lynn and Sid Harty's house in Valleyford, WA. This is always a fun weekend of trailing, anyone who is interested in what Bloodhounds were meant to do, should attend this event - a great time and lots of learning are guaranteed.

**Saturday, August 2** - (afternoon, exact time to be determined) This is our PRBC Annual General Meeting, held at Argus Ranch Facility in Auburn, WA, in conjunction with our Regional Specialty Show event. We also will hold a club meeting in Long Beach, California, during the 2008 ABC National Specialty (**September 29 through October 4, 2008**). This will be another opportunity for all of our Southern members to attend. The exact date and time of this meeting will be determined after the National events are in place; we'll find a short space of time to get together and conduct any business as needed.

**Report of the Secretary** -The secretary, Stacey Poler, was absent but submitted her report in writing which was read by Susan Paine:

Hello Fellow PRBC Members:

I am very sorry and disappointed that I could not attend today's meeting. I hope you were all able to view the December issue of the PRBC Pawprints. I look forward to working on the newsletter this year and hope to return to four issues for the upcoming year. In my first year, 2006, I was only able to get 3 issues out to the membership, but made up for that in 2007 with 5 issues being published. Please do not hesitate to contact me with brags, articles, and fun facts to be included in the newsletter. Please also let me know of any updates for the PRBC web site as we will be working on that in coming weeks as well.

I look forward to passing the membership management portion of the Secretary's position to the newly board appointed Membership Chair. Lightening the load for both the Secretary and Treasurer will allow them to contribute in other capacities. If you have address updates, or membership concerns please contact Marie Taylor, at [maindoor@msn.com](mailto:maindoor@msn.com)!

I have volunteered for several small jobs for the upcoming 2008 Na-

tional in our neighboring region. I encourage everyone to try and contribute to our friends in any way possible. Upon working on some of my small jobs the issue of a generations class in sweepstakes has been discussed. I think that our club should consider offering such a class at upcoming regional specialties. This class would include a series of dogs, a minimum of three generations, competing in a single class not dependent on gender. It is too late to offer such a class in 2008, but I think it would be both fun and have a potentially good entry in 2009!

I am very excited about the upcoming year for PRBC and look forward to seeing everyone at various events!

Lively discussion followed regarding Stacey's idea of the Generations Class and possibly putting in Sweepstakes between Veterans and Puppies. Everyone was extremely enthusiastic about this idea. It was requested that Suzi contact AKC to see if we can still do it this year, otherwise we will do it in conjunction with the 2009 Regional.

**Report of the Treasurer** –The treasurer, Kay Schmitt, was absent but submitted her report in writing which was read by Susan Paine:

Katie moved to accept the treasurer's report and Tina seconded. The report was accepted.

**Report of the Committees:**

**Rescue Committee** – Sonnya Crawford, Janis Hardy, Laurie Adomite, Susan Paine

Sonnya Crawford read the Rescue report:

Fat Suzi is still with us, although she has been put on a diet and has lost weight. (106lb to 93lbs)

We took Buster out of Bloodhound Rescue and adopted him through GHVS as he was more of a "mixed-breed" bloodhound. The donation that his owner made when he was released to GHVS went to PRBC Rescue. Buster found a home last week with Charlotte Yarkoni from Gig Harbor.

Annie was fostered and subsequently adopted by Larry and Janet Law and joins their other Rescued bloodhound Elliott. Redd, adopted by the Zimburean family, had some aggression episodes and was returned to Rescue where he was humanely euthanized.

We received an extremely aggressive BH, Jack, into Rescue in November, 2007. He was immediately euthanized as he was too aggressive to safely feed or care for.

We were called by PAWS in Lynnwood to pickup a liver and tan female bloodhound, "Daisy". Nancy Seanor picked her up last week and is fostering her for us.

We have been in contact with Chris Toepell, Jake Handley and Gail Yandell who all have bloodhounds that they are considering putting into Rescue. As of yet, none of these have materialized, but they are certainly possibilities. The Yandell dog has been bounced around in Oregon for at least a year that we are aware of. The Handley dog has been in and out of at least one other home and has aggressive tendencies.

We use old carpeting in the dog houses for the hounds to sleep on and have to cut up new pieces every few weeks. Tim recently went to the landfill and begged them for throw-away carpeting. We did get some, but they don't typically let people take it. If anyone has a contact for used carpeting, please let us know and we will pick it up.

**Harnesses:** GHVS is selling Easy Walk harnesses with \$5 of each sale going to Rescue. We have currently sold 20 harnesses (\$100).

**Toys:** We have been selling toys at GHVS that Central Pet donated with all funds going to Rescue. We are almost out and would love to get more. Tina was asked if she could contact Central Pet about donating more toys.

**Janis Hardy's report:** She is trying to reach Adam Yandell who she has talked to multiple times in the past. She also said that the Rest Area fundraiser garnered \$170 and Janis would like it to be used to help pay off the debt to the Crawfords. Kim seconded.

Kim Bialakowski has a 9-yr-old Rescue in Canada that needs a home and would like us to help. She is getting desperate to place her. This is a Black and Tan female.

A lively Discussion about the backyard breeder, Rebecca Hungerford ensued, as she has a new litter and we get a large number of her dogs into Rescue.

Janis advised that Rescue needs new business cards.--- Sonnya will work on this.

**2008 Trailing Trial Committee** – Lynn Harty was absent but submitted her report in writing which was read by Susan Paine:

I regret not being with you for the January 2008 PRBC meeting but send my best wishes and warm regards to you. Here is an update on our 2008 Memorial weekend trailing trial

Clyde Reed was a life member of the American Bloodhound Club, an honorary deputy sheriff in Pierce County, Washington, and a founding member of the Northwest Bloodhound Search and Rescue organization. His dedication to bloodhounds, participation in mantrailing, and support of beginning and veteran dog-and-handler teams will long be remembered.

In honor of Clyde's life and his contributions to mantrailing, and in conjunction with Pacific Rim Bloodhound Club and Inland Empire Bloodhound Search and Rescue, Sid and Lynn Harty offer the **Third Annual Clyde Reed Memorial Trailing Trial**, a two-day trailing event on Friday, May 23, and Saturday, May 24, 2008 (ABC trailing trial committee approval received, ABC board approval pending). The trailing trial will be based at the Hartys' home: 13711 S. Sands Road, Valleyford, WA 99036 (8 miles SE of Spokane, WA). MT, MTI, and MTX trails will be offered; EECTs will be accommodated by request and judges' availability. Judges Suzi Paine, Keith Pikett, Sid Harty, and Kim Bialkowski will be on hand to test the mettle of dogs and handlers alike.

# Rescue Update

February 25, 2008

Premium lists will be available online at the Pacific Rim Bloodhound Club web site ([www.pacificrimbloodhoundclub.org](http://www.pacificrimbloodhoundclub.org)) in late March 2008, and an advertisement for the trailing trial will be published in the next ABC newsletter.

**2008 Regional Specialty Committee** – Suzi Paine, Janis Hardy, Sonya Crawford— Regionals will be held Aug 2 in conjunction with the hound classic. We are very excited that two bloodhound people will be judging our show. The hound show will be hosting a bloodhound sweepstakes this year. Sonya needs to talk to Tim Whetstine to see if he will commit to cooking dinner again. We will be taking 4 camping sites this year w/ Crawfords to rent 3 spots and PRBC renting 1 spot. Lunches will be box lunches (probably from Jennifer Loso—to be confirmed).

**New Appointed Position/Membership Chair** – In accordance with bylaws, we have created a Membership Chair position to handle all the membership duties formerly done by our secretary and treasurer. Marie Taylor has accepted this position and the duties are being transitioned currently.

**Unfinished Business:** None

**New Business:** Tina will be showing her own dog, Hollywood. Congratulations to Janis and Follie on Follie's first major today at the Puyallup show.

**Adjournment:** Sonya motioned to adjourn. The meeting was ad-

**Jan Cook—Duncan (Houndwalker's Man In The Moon)** appeared at his first set of shows last weekend since the National in Texas. We are the only Bldhnd for miles here in Calgary, so for two days he looked good but didn't place in group. On the third day he got a 4th in group! I was sooo pleased! In Canada that counts for points. There were 21 hound breeds that day. We are still planning on moving to Vancouver Is. this summer. Sorting thru 40 years of "stuff" is quite a job, but we'll get there eventually! Then I will truly be a Pacific Rim member, not one from over the Rockies!

**Lynne and Steve Aguirre—Glory, Nunya's M-Azing MorningStar RTZ**, picked up two more points at the Orange Empire Dog Club's show weekend by going BOW the first day, and then WB on day two. Glory was handled by Lynne with Steve acting as towel man. Lynne is working on reversing this trend. It just seems unnatural to see Steve looking into the ring! Congrats to Stacey and Ryan at Nunya and of course to mom, Maizey and dad, Moses. But wait, there's more! Glory picked up another two points at the Silver Bay Kennel Club Dog Show just last weekend!

We currently have 6 bloodhounds in Rescue. Daisy is a 2 year old female bloodhound. She travels well in a car and has a VERY sweet temperament. She is a bit timid though. She is good with cats and children, but doesn't get along with some dogs. She does have a tendency to dig if she is left outside and gets bored... She is housebroken and would make a wonderful family member!

Dallas is a VERY sweet, well mannered approximately 2 year old boy! He travels in a car well. He does well with other dogs and cats. We are not sure how he does with children, though he has been very sweet with everyone he has met. He was a stray, which makes his wonderful demeanor all the more amazing!! He is a gentle boy that is

looking for a family to open their hearts to him!!

Dixie is a young, spayed female bloodhound. She is a little over a year old. She is crate trained and will sit on command. She is good with adults, and older/assertive children. She does well with other dogs, but does play a bit rough for some. She is good with cats, but WILL chase them if they run.

Jeb is a 2 year old neutered male bloodhound. He was surrendered to rescue when his owners were no longer able to keep him. He does well with other dogs, cats and children. He is housetrained, microchipped and current on vaccinations. He kennels well and travels well in cars.

Jess is a 5 year old female bloodhound. She is house trained, kennels well, and travels well. Jess likes other dogs, does well with cats, and does well with children. She was surrendered to rescue when her family was no longer able to keep her and her brother Jeb. She is looking for a forever home where she can share all that love she has to give. This is Jess' second time here at PRBC Rescue!

Suzi is approx 5 to 6 years old. She has had a very unstable life, as she

*(Continued on page 5)*

has been in and out of several homes. Despite that, she has a wonderful personality, and loves people. She is a little overweight, but has been on a diet and it has been very successful! She has lost 18 pounds! She does well with older children, but we are not sure how she does with younger children. She would do best being the only dog in a family, as she has a history of not getting along with some dogs. She is not overly aggressive however towards them and can be walked easily in public places. She has a huge, loving heart and she is patiently waiting for her "forever family" to come along and open their hearts to her!!

PRBC Rescue is currently seeking volunteers to come out and deep-clean the runs with the power-washer. We would also appreciate any leads on used carpeting, as we use the carpeting for bedding in the dog houses and have to replace it often. If you know of anyone replacing their carpeting, please let us know and we will find a way to come and get it.

Our membership is GREAT about emailing us whenever there is a bloodhound in the paper or on Craigslist so that we can help place him/her. Thank you and keep those emails coming!

## AKC Naming of Dogs

<http://www.akc.org/reg/namingofdog.cfm>

*Effective February 1, 2008, a pilot program will be put in place to enable an owner to register a dog with a name of 37 to 50 spaces, rather than being held to the usual 36 space limit. The fee for names exceeding 36 spaces will be \$10.00.*

***Happy Naming!!!***

## The Country Life and Times of Goober Andrews

*November 25, 1992 – October 20, 2006*

### Car ride to town with mom

Now one day when I was just a young pup about 1 year or so. My dad said to mom as she was preparing for a trip to town for supplies, "Why don't you take Goober for a car ride to town, he will be a good boy and he loves car rides"

I had been in the pickup truck a few times and loved to look up over the cab with ears flapping in the wind, surveying the world as it rushed by.

Well time came to leave for town the car fired up and mom looked at me then at dad and said you really think he will be good. Of course dad replied he'll enjoy it.

So the back seat car door opened and in I jumped. The windows were rolled down so I could hang out the window. What a spectacle we must have made, big hound head hanging out the window ears flapping in the wind slim spewing from the mouth all down the side of the jeep and any other vehicles that were to close. That will teach them to tailgate. Well twenty minutes later mom pulls into a parking lot to make her first stop.

She rolls up the window to only allow my nose out and that's just not fair. I was hoping to slim some passerby's just for fun. Mom was only gone 5-10 minutes. Now when she returned she stopped dead in her tracks and the look on her face was priceless, should have had a camera. You see while she was gone I jumped into the front seat to watch all the people and cars, it was very exciting. With much talent I had managed to sling long tentacles of my special bloodhound slim and suspend them from the rear view mirror the steering wheel and just about every knob on the dashboard and I do believe I covered most of the front windshield. Mom being the smart woman she is was so glad to have a towel in the car just in case. For with out that towel she would not have been able to drive. After the clean up and a lot of new words I had not heard yet we hastily returned home where I was deposited back with dad. Mom had a few of those new words for him also and he had to wash out the car then back off to town mom sped to continue her journey from store to store.

Hope you enjoyed my story of my first and last car trip to town.

Goober Andrews

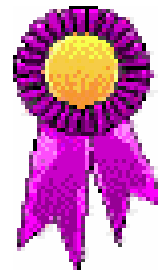

PS: Owning a Bloodhound motto "Goober happens so always carry a towel" Don't tell anyone I was supposed to be a cougar hound to chase big cats up trees.
