PRBC Annual Meeting, January, 2005

Due to weather conditions around the State, Cindy Partington took the minutes. The meeting was approx. five minutes long, and your Secretary (me) has misplaced the hand written minutes. I am truly sorry! Items discussed, National and Regional.

Members present: Katie Cole, Cindy Partington, Suzi Paine, Nancy Seanor, Janis Hardy and Noel Stockwell.

NEXT MEETING

Will be held March 26th over the Bremmerton Show weekend. An email will be sent out announcing the time of the meeting. The following people do not have email addresses listed with the club. Please update your email or you cannot receive the notices! Please contact Suzi at themaja@worldnet.att.net or 253-535-1408 to let her know what the most convenient location for everyone to meet; a local restaurant or her home in Tacoma. This is a very important meeting as we will be exactly 6 months from the National!
Please plan to attend!

President's Message

Dear PRBC Members and Friends,

It doesn't even seem as if we've had a winter this year; yesterday it was 70 degrees here in Tacoma! The garden is coming to life already and the days are getting longer. I hope all of your and your hounds are well and enjoying this early spring.

Our 2005 ABC National and Regional Specialty events are only six short months away, and the committees are working hard to get everything ready. Elsewhere in this newsletter, as well as on our lovely new website, you will find a list of contacts for the various parts of these events. Please don't hesitate to call any of us if you have questions or would like to volunteer to help in any way. There is always room for more volunteers! We are looking for people to work in our Bloodhound Boutique, to do set up and tear down for our show ring, banquets and special events, among other tasks.

I'm really grateful for all of our members who are working hard to make this the biggest and best National we've ever had here in the Northwest; from now on things are going to get busier by the week so hang on to your hats!

Our next club meeting will take place on Saturday, March 26. Please RSVP to me if you are able to attend; we will either meet at a Bremerton area restaurant or at my home depending on the schedule of those attending. Please plan to join us for this important meeting. Time will be announced when judging times are known; we'll send out a meeting notice with time and place by the 22nd.

We will also have a "PRBC South" club meeting on Friday evening, April 29, in conjunction with the Southwest Regional Specialty in Gilroy, California. This meeting is being hosted by Tim and Sherry Robertson. Tim is the current president of Bloodhounds West/Northern Chapter, and he and Sherry are serving as our auction/raffle chairs for the 2005 National. All PRBC members and friends are welcome to attend; contact Tim and Sherry for details.

There are some wonderful brags in this newsletter; PRBC members have been doing some great things with their hounds! And our rescue has been busy lately as well, with several dogs being successfully placed in the last couple of months. Special thanks to Terri, who does the lion's share of the work on this program, and to all those who have pitched in to help her. If you would like to help with rescue, be it by volunteering to foster, to transport, to do adoptive home checks, please contact Terri; I know that she will appreciate any and all help she can get!

As always, feel free to contact me at any time with questions, concerns or ideas for the club. We have a big job ahead but with the largest National committee ever, we have everything it takes to make a great success in September. Thanks for your participation!

Happy Trails,
Suzi

Pacific Rim Bloodhound Rescue

We have started out with a bang already this year. In December, we placed **Sturgis**, a 2 1/2 yo neutered male with Jean Jones of Shoreline, Washington. January found a pretty little, approx. 10 month old, L/T female in the Kent Humane Society. **Emma** was spayed and placed with Laurie Adomite in Springfield, Oregon. February 17th, **Sasha**, from Boise Idaho, was placed with Kriss & Katrina Bowman. Kriss & Katrina took **Sasha** to give her a new, forever home in Nampa, Idaho.

March 1, Terri pulled two young girls from a home in Columbia County where the two were living in knee deep mud on a leeching drainfield. **Molly**, B/T 2 yo S/F and **Daisy**, 10 mo old Female, bred by . Daisy was spayed on March 4th and went to her new home in Priest Falls, Idaho with Tony & Kathy Lamanna on the 6th of March. Tony has owned Bloodhounds in the past, was a member of NWBSAR, and has his Master Handler's Certification. Daisy has bonded very well with Kathy & Tony, and was deeply enamored with their little Shi Tzu! Molly is still residing at the Coffey residence. She is truly a wonderful dog! She walks PERFECT on leash, is now running every day with all of my dogs, doesn't try to escape, loves people of all ages, eats slowly, doesn't jump or bark. She does bay now and then, a long beautiful sound. She is 115 pounds, and is on a little diet. The girl would make a great addition to any family. I do not know about food aggressions as I feed all my dogs separately. She doesn't seem to get excited about our cats or horses either.

Ralph II is currently looking for a home also. Ralph is a 4 year old b/t neutered male who the owner must give up due to her attempt in supporting two teenagers after her husband passed away. The breeder is Jim Jones from Florida. Ralph would be best as an only dog as he does have issues with his food and toys.

If you know of anyone who is looking for a rescue dog, please refer them on to me! They can go onto our rescue web site and download the adoption application at:

<http://www.pacificrimbloodhoundclub.org/rescue.html>

Stacey Poler has done a wonderful job with our web page, and there are current photos of our 2005 rescues up there. Molly's photos is also available online for prospective homes to view.

RESCUE NEEDS: Leashes and collars! The dogs don't come in with these items, and almost always go out with them. Lyn Sherman donated many last year, but they are all gone now! Suzi donated some in December, and those are now gone too! HELP! I prefer "choke chains" as most dogs are not leash trained and need those. Good solid leashes are the best too. I don't want to go purchase leashes and collars, so if you go through your old things and send them our way, it would be greatly appreciated!

Thank you to Katie Cole, Tina Kocar and Suzi Paine who have all helped with transportation this past year. Also, to Kay Schmitt who gives me such strength! Judy and Myron Robb, thank you for all your moral support and shoulder to cry on!

Terri

Rescues!

Above, and above right, is **Emma** and her new momma Laurie. Emma's favorite toy is her hedgehog!

Right, is **Daisy** on her way to her new home in Priest River, Idaho.

Below Right, is Molly. Molly is a sweetheart and is looking for a forever home.

Below (on the left) is Sturgis. He has his forever home with Jean Jones in Sedro-Woolley, Washington.

Braggs

Ryan & Stacey Poler have a most important new addition to their family. **Megan Ilene Poler** was born January 7th at 1:32 a.m. She was 7 lbs, 8 oz and 22 1/2 inches in length. Also, on Sept. 17th 2004

Maizey whelped 7 beautiful healthy babies. All of the pups are now in loving homes with wonderful families throughout the country. I have kept the single girl in the litter, **Tater, Nunya's Russet Hideaway**, and am very excited about her potential. The puppies are out of CH Bacchus Du Noble Limier and CH Jo-Li's Amazing McClintock. **Frank & Tina Kocar** report that "Cowboy", **Huggables Rock Crystal Quartz** was beautifully handled to his International

Championship by our own Katie Cole. Frank and Tina send a HUGE THANK YOU to Katie! He also took a Group 2 at the Puyallup puppy match! The Eukanuba National Championship was very good to our members! **Knotty**, Ch Heathers Knock On Wood, owned by **Lyn Sherman** took Best In Show on National Television. Knotty has so many wins at this time, it's hard to keep up with him! After the Eukanuba, he won back-to-back Best In Shows at the Cow Palace in San Fran, won the Hound Group at Westminster, and three Group Ones and a Best In Show in Chicago. **Taylor**, Ch Sapphires and White Diamonds won Best of Opposite Sex at the Eukanuba National Championship. Taylor was bred by **Noel Stockwell**. **Paula Giddings** has two new members of the family. Spud, **Nunya's MGH This Spudz For U**, and his brother **Diego**, **Nunya's Diggin' Diego at MGH**. Both were bred by Stacey & Ryan Poler. Ryan and Stacey co-own Spud. **Suzi Paine** has a great brag too! Her beautiful Wolfhound, **Lytic**, on her very first Lure Course trial took **BEST IN FIELD!** Not an easy feat when competing against Greyhounds, Whippets and Salukis! Lyric also took BOB two days at Puyallup for 1 point each day. Katie Cole and Della won Best of Breed on Friday and Sunday at Puyallup for a total of 2 points.

We live with the noble and with the clown.
Just look what they do when we're not around.

Blue Stuff Ear Cleaner

16 Oz. Isopropyl Alcohol

4 Tablespoons Boric Acid Powder

16 Drops Gentian Violet Solution 1%

Mix together in alcohol bottle and shake well.

You will also need to shake solution every time you use it to disperse the Boric Acid Powder. Purchase the "Clairol" type plastic bottle to dispense solution to affected ears.

TREATMENT:

Evaluate condition of ears before treating and if very inflamed and sore:

do not attempt to pull hair or clean out ear at all. Just flush and then wait until inflammation has subsided, which will be about two days

Warm the solution and shake the bottle each time before using. Flood the ear with solution (gently squirt bottle). Massage gently to the count of 60, wipe with a tissue.

On first treatment: flood the ear twice, wipe with a tissue, and leave alone without massage. The dog will shake out the excess, which can be wiped with a tissue. >Note: the Gentian Violet does stain fabrics. The SCHEDULE of treatment is as follows:

Treat 2x per day for the first week to two weeks, depending upon severity of ears.

After the 2nd or 3rd day you can clean out the ear with a Q-tip or cotton balls.

Caution: when using a Q-tip, only insert it as far into the ear canal as you can actually see. Use care to prevent the gunk from falling down into the ear canal.

Treat 1x per day for the next 1-2 weeks.

Treat 1x per month (or even less frequently, depending on the dog).
