President's Message

Hello PRBC Members & Friends,

I hope everyone is enjoying the arrival of Spring and all the activities that the nice weather makes so enjoyable with our hounds. Here in Carnation the boys (Axe & Crush) along with their sister Lily have certainly had a case of spring fever and are more than ready for Mom to get them out and working - enough of the sitting around watching the rain.

Preparations are in full swing for the upcoming 10th anniversary PRBC Regional and Suzi Paine our show chairperson has some very special things planned. I hope everyone will be able to attend the activities and enjoy showing off their show, trailing, rescue, or best friend Bloodhound - all are welcome. Information regarding the specialty, trophy sponsorship, and activities are available on the PRBC website and will be updated as the event approaches.

I would also like to wish the best of luck to those handlers and hounds that are preparing for the PRBC trailing trial at the end of the month - may the scent be with you!

Wishing all of you a wonderful Summer and looking forward to seeing many of you at the upcoming events.

Meeting Minutes: Centralia WA April 7, 2007:

Members Present: Suzi Paine, Cindy Partington. Kris and Laura Hansen, Katie Cole, Sonnya Crawford, Mike Tinkler Nancy Seanor

Cindy brought the meeting to order. She advised that the last meetings Minutes were posted in the newsletter and asked if everyone had read them. Janis H motioned to accept the minutes and this was seconded by Suzi. The motion was approved. Treasurer's report. See attached. Cindy advised that Rescue was holding its own. The veterinary expenses for the last year have approximately equaled the adoption fees. Additionally, toys donated by Tina have been sold at GHVS which has brought in a little more money. Secretary's report. None Rescue report. See attached. Janis advised that she has set up a fund raiser at the Everett Mall rest area for the day after Thanksgiving (Nov. 23rd). We will be serving coffee and cookies from 6am to 10pm. Janis will put a sign-up sheet together. **Regional report:** We have volunteers for everything. Publicity---Lynn Aguirre Trophy---Janis Hardy. Janis invited everyone to make a donation to the trophy fund. Fund Raising - Laurie Adomite and Tina Kocar. Laurie wanted to advise that we are having a 50/50 raffle. She has purchased a roll of tickets that she would like to use. She would like everyone to take some tickets to sell to family and friends. Kris suggested that the winner should be published on the Internet. Laurie advised that auction items that are currently being considered are a travel crate, travel feeder/tote, trailing har-

ness & lead. It was also discussed to pre-sell embroidered denim shirts. The embroidery logo was decided and Suzi gave Sonnya permission to have 2 separate logos digitized at a cost of \$12.00 each. Hospitality—Sonnya, Cindy and Katie. The menu will have a Mexican theme and will include a taco bar, taco salad, and taco soup. Katie will be bringing

her famous brownies. It has been decided that we will not provide box lunches on Sunday. Judges Hospitality—Stacey and Kris & Laura The Parade of Honors was discussed. Suzi advised that we would like to have all of our Rescue dogs attend. Suzi advised that we will do every-

thing at ringside this year. We will have plenty of awnings set up for shade. This will make it easier for new members to find us. Janis advised that all information needs to be provided by May 15th to be included in the Premium list and July 1st to be included in the catalog. Suzi reminded everyone that all entries must go snail mail. There will be no on-line registration available. Suzi also encouraged everyone to seen her addresses of people that might be interested in receiving the premium or who didn't get a premium last year. She is putting together a mailing list for the new show secretary, Beth McKinney. **Special Committee Report:** Bylaws: Suzi is heading up this committee. She has sent out an email to the members. She is waiting for responses for proposed changes to Bylaws by April 15. The changes will be posted on the website for the general membership to read before the Regional. The proposed changes should be ready to vote on at the Regional in August. Old Business: None **New Business:** The Trailing Trial in Spokane is 5/25 and Lyn Harty is the chair. Forms will be available on the website. There will be a WWHA puppy fun match on 6/16 at Marymoore Park in Redmond. We received a letter from Marsha Hall Brown who would like to judge a match if we offer one. We are changing our newsletter software to Microsoft Publisher. Our previous software was owned jointly with Terri, who recently resigned. In the future, the club will not co-own software. Suzi advised that the 2008 Nationals will be held in Longbeach Calif. The 2005 Nationals would not have happened without the help of our California friends, so please volunteer and help them if you are able. Kris asked if we could invest in a larger banner. Suzi and Cindy asked him to look into this and bring a proposal to the club.

Sonnya motioned to adjourn.

NEW MEMBERS!!!

Please welcome PRBC's newest members, **Kevin Doty and Marie Taylor** of Colfax Washington sponsored by Stacey Poler and Suzi Paine. Marie and Kevin currently own one bloodhound and 6 Saint Bernards. They have been showing/breeding Saints for over 10 years and are currently members of the Saint Bernard Club of America and Palouse Hills Dog Fanciers. Marie is the Secretary for PHDF and chairs the Spring fun match every April. They recently applied and were accepted as new members of the ABC. They are interested in showing, trailing and SAR with

their bloodhound puppy and say that "clubs keep the dog games going and are a wonderful resource for education and experience of newbies to a specific breed."

Rescue Update

May 2007

We have accomplished some wonderful achievements in PRBC Rescue over the past couple of months. First and foremost, all of our dogs have been adopted into wonderful homes! We couldn't be happier with the quality of homes that our rescue dogs are in—Thank you so much to

these wonderful families that have stepped forward and taken these hounds into their home and hearts!

Stacey Poler has updated the PRBC website with Success Stories. Please visit the site and enjoy the stories: http://

www.pacificrimbloodhoundclub.org/rescue/success.html Additionally, Sara Leslie-Grant has posted our Success Stories on Petfinder.com http://www.petfinder.com/ shelters/WA300.html and click on "Happy Tails."

Petfinder.com has been an invaluable resource for us in placing our bloodhounds. If you haven't visited our Adoptable Pet List on Petfinder.com, please visit it regularly and share the following link with anyone that might be interested in adopting a bloodhound: http://www.petfinder.com/shelters/WA300.html and click on "Our Adoptable Pet List."

Additionally, we have started the official Pacific Rim Bloodhound Rescue Yahoo Group http://pets.groups.yahoo.com/group/PRBCrescue/ This is a forum for new Adopters of rescued bloodhounds to discuss issues and concerns and to share brags. We invite and encourage all of our club members to sign up for the group to answer questions and offer their wisdom and advice. The forum has been very active so far and we are thrilled with the quantity and quality of responses that we have gotten on the Yahoo Group.

Updates on some of our recent rescues!

Marcie was adopted by the Porter Family in Montesano. Here is a blurb from David Porter on their new family member:

On the 9th (April) we added Marcie to the family. It has been a real treat watching her and our dog Annie interact. They are getting along very well, really giving the backyard a workout. She's got a super personality.

My wife, Sue, likes the name "Moose" for Marcie so we've

(Continued on page 3)

(Continued from page 2)

tagged that on to her name and call her Marcie Moose. The Moose tag fits her because she gallops like a camel according to Sue, and when she and Annie are playing,

Annie usually walks away with a slime streak down the top of her head. We say that Marcie "moussed" her.

Bear and Mari adopted Daisy. They also have a cat, but haven't been owned by a dog since their beloved old guy passed away several years ago. After their first week with Daisy, Mari had these thoughts:

We've had Daisy a week.....last night, she was such a RAT that I

was ready to trade her in for a teacup poodle! She was into everything, chewed on the couch, wouldn't lie down & sleep, was just an all-round pest. At some oint, late and very tired, I realized it was the first evening since she'd been here that Bear was working and not at home. Sometime around 11pm, she FINALLY laid down on the floor and slept.....and he was home a few minutes later to a very happy Daisy.

Today - Wow! What a different dog we had! She began her morning on a walk with Bear, meeting a couple of neighbor dogs for the first time and listening to obedience training tips from the friendly neighborhood expert <grin> She was very patient with the well-meaning lady until she could continue on her walk with Bear. This afternoon, we took her to Olympia for a walk around Capitol Lake where she met many various dogs and people and was a perfect lady. Then we took her to Petco to pick out

some toys, bones, and a new collar - she was, again, perfectly wellbehaved....dogs, kids, other animals, great smells.....did as she was told every time and wooed all who met her. She waited patiently in the car while I did shopping for office supplies, then Bear

did some grocery shopping... And she slept all the way home. Tonight, she's

entertaining herself with a new stuffed toy from Goodwill and stopping for occasional cuddles. She and the cat had a face-to-face meeting (in the middle of my bed!) and she did not seize the opportunity to pounce. I'm thrilled with

her behavior today. Last night she growled at someone on the deck.....not aggressively, just enough to say, "This is my house and you don't belong here unless WE say so." I'm thinking she's adopted us.

Tyler and Tiana Morton recently posted that Cassie (adopted March, 2006) has reached a new milestone—she kissed Tiana for the first time when they returned from

their vacation and picked her up at the boarding facility.

Our foster homes have turned into permanent placements for Rainie (aka Dakota) and Reb (aka Oliver). These

two sweeties knew how to "work it" and are now loved and adored in their forever-homes. Rainie's mom, Laurie Adomite, has now officially joined the Rescue Commit-

tee. She has been a wonderful resource, especially when it comes to behavior issues and concerns. Zoey went to live with Trish Brown and Cleve Abbe and their B&T coonhound, They are experienced bloodhound owners and

adore their new family member. Trish recently had this to sav about Zoev:

We got Zoey and she is funny and very talkative. She's a wild one and we sometimes call her ZoomZoom instead of Zoey. We are suspicious that she might also be able to open doors like our last bloodhound so we have taken to locking/latching them so she can't get in and get food etc.

Happily, Pluto and Amos have also found their forever-homes with experienced and savvy bloodhound families. Pluto now lives with the Williams family, their 2 bloodhounds and a cat. Amos was placed with the Vias family, their

dogs Jazzie. Luke. &

Bo (a bloodhound), and their cats Rennie, Zipper, and Willma.

Rainbow Bridge Welcomes Two Beloved Hounds

Cowboy July 29, 2004 - April 5, 2007

Owned and Loved by The Kocar Family

The Kocars' love for Cowboy is evidenced by the words written by Cowboy's young friend Alex. These two boys were inseparable, and were the very best of friends.

"It all started on April 5 my best friend died it was a dog his name was Cowboy. He was the bestest dog ever. He used to let me ride on his back. He would shake my hand and give me big big kisses. I will always love him. To my best friend Cowboy I will always miss you.

Love Alex Kocar"

(Transcribed from the letter written by Alex)

Watson

Owned and Loved by Kris and Laura Hansen

Watson was our "old man" Basset Hound who lost his battle with cancer in April. In his day, he was a great hiker and there was nothing he liked better than getting out on the trail with us other than, perhaps, sleeping on his couch. If sleeping was an Olympic sport, Watson would have had a wall full of gold medals. He was a constant companion to three bloodhounds (Annabel, Yukon, and Mojo) and he taught all of them many things about being a hound. He was a devoted companion to his people, as well, and he will be missed by all of us.

*Brags *B

BISS <u>Ch. Brewdun's Old Deuteronomy RTZ</u> BOB SW Regional Specialty!

Steve and Lynne Aguirre: Moses, Ch. Brewdun's Old Deuteronomy RTZ, went BISS at the SW Regional Specialty under judge Del Richards. Also, his daughter Glory, Nunya's M-Azing Morningstar RTZ, took 1st in her class, her first time in the ring. The real brag here is that I got out of the ring without a grass stain on the knee!

Tim and Sonnya Crawford: Announcing Lizzie's, Sherick's Hot Impression, Major Win In Centralia! On April 7th Lizzie won Winner's Bitch for a 3 point major under judge Susan St. John-Brown. She also won WB the 2nd day for another 2 points! Lizzie now has 2 majors and 11 points, and also

won **RWB** at the supported entry in Hollister, CA!

Don and Jan Cook: Duncan (<u>Houndwalker's Man in the Moon</u>) had a wonderful weekend in April, in **Chiliwack** BC. He had never competed agst. his own breed, so it was something special to see his own kind. Up to now, he thought Borzois and Beagles were Bloodhounds! It was his last set of shows as a puppy. He placed **BOB** three out of the four shows, for 6 points towards his Can. Ch. He competed agst. 2 females and a male Sp. In the picture he was very uncooperative, as he had already been in two shows before noon. Judge Mary Lou Harris was very

patient. No, that is not me in the picture, but a friend Linda, who kindly showed him for me. Four days after we got home from BC, Duncan got quite ill with a bacteria infection. He is 100% now, but still on antibiotics at this time. So he will be spending a quiet summer at the lake in NW. Ontario, learning to swim! Happy summer!

Denise and David Dixon announce their newest addition, Purdy, <u>The Ritz' Hklbry</u> <u>MardiGras Revel</u>, out of Huck, CH. The Ritz' Big Easy and Hallie, The Ritz' Jazz Solo.

Purdy was bred by Steve & Lynne Aguirre and Louise Uphus.

Kevin Doty and Marie Taylor:

Stacey and Ryan made our dreams come true entrusting to us our first

bloodhound from the Maizey x Moses litter and we are very proud to introduce Dawn (aka Pink Girl, Nunya's M-Azing Morning Mist, Rocket Ship, Dazzling and of course those only repeated in the presence of the dog expletives hound owners can appreciate). As only good breeders do, Stacey loaded up Marie, Dawn and the St. Bernard Rudy venturing off to Seattle launching Dawn's show career by taking the Winners Bitch both days. Marie and Dawn (and Rudy) met new bloodhound (and newf) friends and learned about stairs, elevators, endless hours

in the crate and pooping before going into the ring. And Marie learned that Dawn simply doesn't wear down and can destroy anything in less than an hour. Dawn then traveled off to Chillawack where she won Best of Breed and going on to get a Hound Group Four and Best Hound Puppy! In one short weekend Dawn

picked up 6 points in Canada! And Stacey learned that Dawn does not focus on the task at hand in the hotel parking lot, way too much to smell. Thinking that this 9 month old puppy might be really tired from a 5 day trip to Canada, we entered her in Lewiston, only to discover that we were tired. At **Lewiston** Dawn took **Best Hound Puppy** going on to get the honor of **Best Puppy in Show**! What a thrill ride this spring. With teething over we are concentrating on clicker training for bullet proof stack WITH EARS DOWN and dabbling at trailing. We hope to meet all of you at the Trailing Trial in May.

Becky Irving: Brodie, CH Nunya Or Ida Rathr B Trakin, has passed both of his pre-certification tests for Oregons Urban SAR certification. We hope to have him tested in the next few weeks.

Suzi Paine: Spud, <u>CH Nunya's MGH</u> <u>This Spudz For</u> <u>You</u> Wins **BOB** in Centralia! With very limited showing for

this boy, he comes out with a bang! On April 8th Spud won Best of Breed strutting around the ring with all the confidence in the world. Suzi mentions what a pleasure it was to show to under judge Barbara Ann Langlois who seemed to genuinely enjoy the breed.

(Continued on page 6)

(Continued from page 5)

Stacey and Ryan Poler:

What a wild ride this has been! Finally NEW Champion, Tater! After several points lost due to incorrect entries (6 points and 2 majors) **CH Nunya's Russet Hideaway CGC** FINALLY finishes her championship in Lewiston, ID! Just a little icing on the cake, Tater went on to

win the Best Bred by Exhibitor Hound the following day! We couldn't be more proud of our first Bred By Exhibitor Champion, Tater has been a dream come true and certainly behaves like the Queen she is.

Lyn Sherman: At the Hound Show in Irvine two weeks ago Knotty, BIS BISS Ch Heathers Knock On Wood, CGC, TDI, won **BOB** from the Veterans class both days. At the Regional in Hollister last weekend, Knotty and Yeager, Ch Heathers Where Eagles Dare, (a Knotty son) won Award of Merits, on Sat. at the Supported show Knotty won BOB and a Hound Group 2 from the Veteran's class

Mike Tinkler: Prior to the Seattle K.C. Show on March 10th and 11th, Cody, **Heather Just Keeps on Knocking**, had 4 pts including one major. On both days of the **Seattle** Show he won **BOW** for 2 points each. On the 1st day of the PDFC Show at

Bremerton two weeks later he won **BOB** for 1 pt and **BOW** on the Sunday for a further point. On the first day of the Timberland Valley DF Show in Centralia on Saturday April 7th he won **BOW** for his 2nd major (3 points) and on Sunday he again won BOW for his last 2 points to finish his championship.

PRBC is hosting its **Second** Annual Clyde Reed Memorial **Trailing Trial!** Friday May 25, 2007. The 2007 Trial is to be held in Valleyford, WA at the home of Sid and Lynn Harty.

Steve and Lynne Aguirre and Louise Uphus are proud to announce the arrival of the The Ritz and Huckleberry Hounds, MardiGras litter. What other theme could it be when dad, Ch. The Ritz' BIG EASY, and mom, The Ritz' JAZZ SOLO, decide to go into production?

Montana, The Ritz' Hklbry MardiGras Magic, is a big shot at Quantico with the FBI. She is there to prove that greatness runs in the family as she follows in the footsteps of her famous Auntie, TinkerBelle, Ch. The Ritz' Fire Storm. We wonder who is getting more of an education, she, or her partner, Investigator Iggy Mendizabal? Purdy, The Ritz' Hklbry MardiGras Revel, has already begun to master the art of the nose! She has Denise and Chris Dixon convinced she could walk on water if the job called for it. She is trying very hard to let everyone know that she comes first, all of the time. Mmmmmm, not a bad attitude when it comes time for her to enter the show ring. Mojo, The Ritz' Hklbry MardiGras Mojo, soon to be show dog and trailing dog extraordinaire, is living a pampered existence at home with Louise & Bob Uphus along with his Uncle Vinny, Ch. The Ritz' Hell Raz'r Earth Shak'r, and his little lab brother "Max". He feels bad for his people because they keep getting the two confused with food. Louise is always calling Vinny liver, and Bob insists that Max is chocolate.

Annabelle, The Ritz' Hklbry MardiGras Blues, is in her new home in San Marcos with Pam Johnson and the family. To put it quite bluntly the family has accepted her royal being and she is often referred to as a princess. Never one to quarrel, she has gladly accepted this role and all the perks that come along with it!
