MEETING MINUTES

General Membership

March 12, 2000

Members present:

Terri Coffey, Suzi Paine, Mike Tinkler, Adriana Pavlinovic, Katie Cole and Nancy Radabah.

Meeting was called to order by President Katie Cole at 11:45 a.m.

Secretary's report: Will be covered under old business

Minutes of last meeting: No meeting was held in March.

Minutes of the November 20, 1999 meeting were approved as published.

Treasurers Report: We have not received the National money from the ABC, but are expecting it soon. We have \$833.30 in checking and \$3950.29 in savings at this time. Dues income was \$80.00. Four members have not renewed. Allen's, Bauerband, Bowen and Meador. We would like to replace these members with local and participating members.

Katie Cole suggested that we consider putting \$5000.00 into a CD after the ABC money comes in.

Suzi felt we need to keep \$1000.00 in our savings for the Regional.

JAN, SHEILA, MARY & KYRA'S EXCELLENT

ADVENTURE (OR Crufts or BUST!) Part one

Contributed by Jan Cook

There were three ladies of a "certain age" and a thirtys something, in Jolly Old England, jumping thru hoops (at least we understood the language!) to get our mini van rented. (Lesson #1—check the day before to see that the rental company is still in business). Sheila volunteered to be the driver (understand she is a Scottie person) as she has "experience" driving on the wrong side of the road. Mary, the Corgi breeder, had her herding instincts kick in, and she volunteered to navigate. "Great" I thought (being the bloodhouser). I'll close my eyes in the back seat, and hope for the best! Kyra, unfortunately is a terrier person too, so spent a lot of time backseat driving and holding her breath. Sheila gave us a lesson in driving, "you have to drive as fast as they do" and "THIS is how you manage roundabouts!" Mary, as the front passenger, developed a permanent lean to the right, as we rocketed along roads with hedges scraping our windows, and roundabouts every few miles. Kyra very shortly was calling them "whirl and hurls." The firsts day we came upon a double roundabout where the inner circle was going counter clockwise to the regular clockwise direction. We were in and out of it before we could figure out how it worked. Luckily, it was the only one we encountered!

We made it safely to Harpenden, the site of the Scottie specialty. It was held in the community hall, within walking distance of our B & B. We didn't have to navigate those roads for 48 hours! I saw more Scotties than I have seen in my lifetime! I explored the village, off and on, as the specialty lasted all day, with many more categories than we have. "All right girls" said Sheila, on to a mini wirehaired Dachshund breeder and English judge. This kind lady was responsible for getting us the lunch tickets and group tickets at Crufts each day. A Scottie person got us into the Crufts hotel which was a 2 minute walk away. So, we were well taken care of!

The mini wires were darling, and we all went for a walk thru the fields with 23 of them. At least one was trained to track, and so a track was laid around a field with a stuffed bunny. Gloria was then harnessed and told to "find". Kira handled her, and away they went, all the way around the field, right to the bunny where Gloria "found" it, and quickly ripped the nose off! Neat!

Regional Specialty Report: Will be held at the King County Fairgrounds in Enumclaw. Discussion was held with WWHA about paying a portion of the grounds on Saturday, as they are renting it specifically for us and the Basenji's. The WWHA is not using the grounds on that day. A figure of \$100.00 has been thrown out, but has not been approved by WWHA yet. The Basenji club will also pay the same. Another expense we will be splitting with the Basenji club will be the space for George Bell for our dinner and our cost of \$37.50. The menu will be a pre-ordered, pre-paid dinner of Salmon and Salad. George Bell will be charging \$12.00 for dinner, we will charge \$15.00 and that will include the gratuity. We are hoping to have about 20 people for dinner. We will have a better estimate after entries close. Suzi and Katie will ask if there is a break for children. If not, we can barbecue hot dogs for the children at our set up and not charge for the kids.

The Specialty has been approved by the AKC. Both Steve & Edith have confirmed in writing. It has also been approved that Judy Robb will be doing Sweeps for WWHA and Michael Soseni will be doing breed. The group has not been set yet. Suzi has secured the Best Western in Enumclaw. Most of that was covered in the ABC Bulletin. Terri bought some really cool decorations and Katie Cole made a motion that the club reimburse her for the \$51.60, the cost of the decorations. With the exception of the straws, all items are reusable for coming years. We bought flexible tissue "fruit" straws, two tissue palm trees, 4 tissue pineapples, paper lanterns, 2 metallic palm trees, 6 tissue flower garlands, and tissue fish. Adriana seconded the motion. Motion passed to reimburse Terri the \$51.60 for decorations. Terri is donating the plastic pastel leis. We will have corsages for the judges. Terri will price appropriate colored flower leis for BOB, BOW & BOS. If they are not too expensive, we will look into Winners also. The next newsletter will have the prices for the trophies:

BOB, BOS, BOW, HIT, BISS, BOSS, BVDIS, BVBS all \$20.00 each

All 1-4 in regular classes and sweeps is \$15.00 for the entire class. Veteran class is 1st only, so will only be \$10.00. We will not have trophies for class placements, we will have really nice rosettes.

Mike Tinkler has offered trophies for Reserve in both sexes. They are adorable baskets....don't want to give it away here... suffice to say they are extremely cute and will be filled with dog cookies! By this donation, Mike Tinkler has taken Reserve Winners Dog and Reserve Winners Bitch.

Adriana offered to support the BOB trophy and offer it in the memory of Ken Wheeler.

A motion was made by Terri Coffey to dedicate our Regional Specialty to Ken Wheeler, Adriana seconded. Motion passed. Suzi will provide a very nice picture of Ken for the premium list. Thank you Adriana for bringing this up. It is a wonderful idea.

If all placements for trophies are sold, which probably will not happen, we will bring in \$475.00. This will cover the cost of

the nice rosettes. There will be no flat ribbons at the Regional. Mike Tinkler has offered to come down on Friday to help set up the rings. Suzi & Katie will get a time for set up on Friday. He also offered to stay on Sunday for tear down if necessary. Both Katie and Suzi will be there on Sunday for tear down too. **Old Business:** The bylaw changes had no descending votes so the change is now in effect. Article III, Section 4 of our By-laws will now read:

"The annual Club meeting will be held within the period of January 1 to February 15. Written notice will be provided to the membership at least 30 days prior to the meeting."

Katie Cole made a motion to approve \$20 to \$30 for the purchase of a tape recorder for the taking of minutes. Adriana seconded. Motion passed. Terri will purchase it and give Suzi the receipt.

We need to think about getting something into the by-laws on making a participation requirement of one club activity a year. We are now doing more activities such as the Breed Education booth and volunteers are hard to get. Participation can be anything such as, taking meal reservations, helping with decorations etc., not necessarily a "hands on" at the shows and events. Having members in name only isn't helping the club. We have a very small core of people willing to work and volunteer. We don't want to loose those members that aren't participating, but if there was something in the by-laws people would know more of what is needed of them when they join. Even just offering to host a meeting or annual party is a help. This would have to be for new members only. We need to do some research on where it would fit best in the by-laws.

Possibly under membership application, add another sub section stating at least once a year active participation. This could not apply to associate members. Our members in Eastern Washington, California and Idaho have been more active than some of our local members. We will never get to the point of kicking people out of the club for not working, we just don't want to burn out the members that do work hard.

The newsletter will have a full proposal in the newsletter asking for suggestions on wording or ideas on how to get more people to participate. After that, we will look at doing a by-law change. The next order of business Katie Cole brought up was the High in Trial trophy that we were going to put up for sale on e-bay. Due to the passing of our dear and generous artist, Ken Wheeler, Katie personally does not want to sell the trophy. The purpose of putting the trophy up for sale was because Ken wanted our club to make money from it. We were going to sell it and commission Ken to make another. That is no longer possible. Suzi thought that this should become our own PRBC trophy, depending on what AKC will let us do with it. Terri Coffey made a motion not to sell the trophy that we keep it and think of something we can do with it in memory of Ken. Katie Cole seconded the motion. Motion passed. There is no rush to figure out what we want to do with it.

New Business:

PRBC won \$50.00 and a free advertisement in the Seattle

(Minutes Continued from page 2)

Kennel Club catalog next year. This was for the best decorated booth. There were about 30 booths in competition. Many of the booths were very impressive. Katie also showed us the Rosette we won. Adriana thanked those that donated their time for helping. We didn't have enough members to cover the booth, so some non-members helped. Next time we will need to have more knowledgeable people to discuss the breed. There was some poor information given out by non-members the first day, we have to be more careful next time.

Katie Cole's e-mail address has changed to truluv1@earthlink.net.

Both the new e-mail and a full membership roster will come out in the next newsletter.

Also in the newsletter is a correct address for Cecilia Barnett, our Specialty secretary.

If anyone knows any non PRBC members that need a premium list for the Regional, please send them to Katie or Suzi. There are some we already know to send to in Canada and California. Katie handed out a copy of the Gazette from Europe with an article from our National. It has a nice article about our National and beautiful pictures.

Kate brought up t-shirts and sweatshirts for the Regional. We need a drawing. Suzi will ask Nancy Vitek about a design. Katie will talk to Mitch and Linda about shirts and slobber rags. Suzi will get with Linda Sable about doing the fun Agility course for all hounds at the show. They will talk to WWHA about space etc. first, then talk to Linda. We will have further discussion on this subject once we find out if there is room at the grounds without extra expense.

ABC News:

Adriana will send Terri the AKC requirements on DNA for the newsletter, and a rescue report. Also the AKC is asking for people to submit names of dogs that are doing outstanding public services. They will recognize them in the Gazette. The ABC Trailing Trial Committee is considering some changes in their standard. She will keep us up to date on this as it progresses. Joe Ivey sent out a form for people to fill out if they are interested in sitting on the Board of Directors. Out of approx. 700 members, he has received ONE sent back to the nominating committee. Even if you have a board member in your region, there are still other positions that need to be filled. If anyone is interested in an ABC board position, and you are willing to work for the club, please contact Joe Ivey and send in your paperwork.

The ABC has offered the newsletter on the Internet. This could save the club over \$1500.00 per year if those that are able to receive the newsletter that way volunteered to not have it mailed. The ABC web site will soon have the Constitution, By-laws, Standing Book of Rules, Trailing Trial standard along with many more interesting things.

Terri Coffey asked if anyone had objections to us printing other Breed Rescue reports, besides just the Northwest, in our newsletter.

All of the rescues are completely full and need help placing dogs. All present agreed that this would be a good thing. After 7 years of rescue, Great Lakes Bloodhound Rescue had to close due to family and personal issues. This has really put a strain on the other rescues. It would be nice to help everyone if possible.

Canadian News:

Mike Tinkler reports that there is a Booster in Alberta with a South African judge. The entries will close prior to this newsletter going to print. We all wish the CBC good luck! Another booster will be held on Vancouver Island over Memorial Day weekend. Mike will ask Kim B. to send us information on motels and the specifics of the Booster. Mike will check with Kim about what she needs for trophies. PRBC will consider sending a donation to the general trophy fund. The next meeting is June 10th in Puyallup. We need to have another meeting in July for the volunteers for the Regional to consider what has been done and what needs to be done. All will be invited to the July meeting at Katie's, Adriana's or somewhere up there.

Brags:

Mike Tinkler's dog took WD on the 11th for 1 point and BOB over Specials today for a 3 point major and his finish.

Congratulations Mike and Dacre!

Meeting Adjourned at 12:48

Respectfully Submitted,
Terri Coffey
Secretary

PRBC needs your suggestions on how to encourage participation. We are possibly looking for suggestions on wording change for the by-laws, something along the lines of "members are requested (required) (strongly encouraged) to help with in some capacity with at least one event per year."

If you have any suggestions as to how this should be accomplished, please send them to Terri Coffey and she will compile them for an upcoming meeting.

HELP WANTED

There are still jobs for the Regional that Terri could use some help with hospitality, volunteers to help decorate and serve food (maybe even make a Mai Tai or two!) We would also like to do T-shirts, but will need a logo. The theme is Luau on the Pacific Rim. That could be a fun logo to create! Once that is done, we will need someone to take the orders and work with the vendor. Ask yourself, "What can I do to help?" and then call Suzi or Katie!

BRAGS

Brag's Continue...

Deb Smith sends her brag on Rancho Subuesos-Venus CD, CGC, ICT "Liberty". At 10 years YOUNG, following in her mothers footsteps, Liberty has another FIND. After 9 years of service, I retired Liberty in January 2000 from the Conconino Count Sheriffs Search & Rescue. On Feb. 25th, the Sheriffs office called to use Liberty on a possible suicidal person. The search was difficult with temps in the teens and winds to 20mph. The trail was 34 hrs old. Liberty found the subject within 35 minutes. Thank you Stacy Mattson, for breeding dogs that can work even after retirement! Happy Trails, Deb Smith, Liberty, Mercy & Major.

ABC Directors Report

Submitted by Adriana Pavlinovic
ABC Board of Directors

The last ABC Newsletter has a ballot for the 2002 Judge for the National Specialty. Please take a moment to vote. The National will be held in the SW Region, very close for most of us in the NW to travel.

The ABC Trailing Trial Committee is undertaking writing guidelines for the position of Trailing Trial Chairperson, TT Committee member, etc., and will have an interim Chairperson in lieu of Jan Tweedie's resignation as chairperson. At the National Specialty in September, the ABC Board will be appointing a new Chairperson. All matters affecting ABC Trailing Trials should be addressed to President, Myron Robb.

Best to all for a happy spring! Adriana

ADDITIONS TO PRBC MEMBERS HOMES

Deb Smith has recently gotten herself a new puppy from Jerilyn Petty, the first male she has ever owned in her 26 years of Bloodhounds! His name is Atbay Hangover's Arizona Dust Devil "**Major**". Major is out of Ch Patriot Salutes Nimrod & Ch. Atbay Hangover's Destiny.

Adriana Pavlinovic also has a new four legged member named Raven. She is working hard to learn from her papa Ricki, and auntie Cassandra the finer points of being a couch queen!

J, S, M & K's Excellent Adventure (or Crufts or bust!)

continued from page 1

Birmingham was beckoning, so the next day we arrived, a car full of jangling nerves (not Sheila tho!) Thank goodness we were going to have five days with our feet firmly planted!

Crufts consisted of 5 buildings, 21,000 dogs, and 365 booths! What a buzz! I did the booths on Thursday and Friday before the crush of people arrived. I found a couple of old bloodhound prints and a book of dog paintings from 1840 to 1940. It was wonderful! The dogs...let me say there were, for instance, 547 Golden Retrievers entered, (they had to qualify too) and not a hose or hairdryer in sight! What a difference.

The very large rings (38 "show" rings plus agility, Jr. Showman, etc) are defined by green carpeting and spectator chairs. No fences! The handlers entered the ring from wherever they happened to be standing. The stacking...that consisted of facing front, or back, or just letting the dog decide!

To be continued

Please check back for the conclusion of "Crufts or Bust" in our next newsletter. Thank you Jan for the contribution of your wonderful trip to our newsletter!

We still need volunteers to help us make this show a huge success! If you feel you are able to sell t-shirts, put together hospitality bags, help with decorations, help prepare food, help set-up (Friday), and/or tear down (Sunday), take dinner reservations, and much more! We will be holding a special meeting in July for our final planning. Please contact Katie or Suzi as soon as possible to volunteer for a job. We will notify everyone of the time, date & location of the meeting so all those interested can attend.

ALOHA!

Due to being called out of town, Katie Cole was unable to send a Presidents message.

She will return for the next issue.
