

## NEXT MEETING-11-21-98.

The next meeting of the Pacific Rim Bloodhound Club will be held after breed judging at the Monroe dog shows.

### President's Message

Our 2nd regional specialty was a successful one. We had a great entry, lovely weather (after Friday's downpour), and lots of visitor's from near and far. It was great to have so many of our Canadian friends with us this year as well as some from California, southern Oregon, and Idaho. Thanks to everyone who worked hard to make it happen- especially Lynn Harty who kept us solvent with the auction and raffle; Noel and Jon Stockwell and Katie Cole who fed us all a great lunch every day, and Lynne Aguirre, who judged our sweepstakes. You all did a wonderful job, and it was a fun weekend.

Next year we will be hosting the "really Big Show", the 1999 National Specialty. I hope that every member of PRBC will contribute some time and effort to making this a special event for ABC members from all over the world to enjoy. Committee head names and phone numbers are listed in this edition of the newsletter, so look for a committee you'd like to help on, and give us a call- we need volunteers in all areas!

Hope to see some of you at our last meeting for 1998, on November 21, 1998 in Monroe, WA. We will be focusing on plans for the coming year. (Suzi)

**General Membership Meeting Notes-** A meeting was held at the Regional Specialty on Saturday, September 26, 1998. Present for the meeting included Suzi Paine, Noel Stockwell (guest Jon Stockwell), Katie Cole, Lynn Harty, Jan Tweedie, Nancy Seanor-Radabagh, Louise Uphus, Lynne Aguirre, Mike Tinkler, Jill Dingle. Guests included Heather Whitcomb, Buel and Sandy Boaz, Dave Lockridge and Lisa Jackson.

**Treasurer's Report:** Checking balance \$69.43. Savings balance was \$3303.03 not including income from this Regional.

### Change to By-laws Proposed

Proposed by-laws changes were discussed which would create a third category of membership. Currently members must attend a meeting to belong to PRBC and to vote they must attend one meeting a year. Therefore the following change in the by-laws is proposed: an "associate" member shall be a person who has applied

Pacific Rim Bloodhound Club  
"Paw Prints"

and been accepted for membership in PRBC but who has not attended a meeting, lives outside of the primary service area (NW region) and who wishes to receive the newsletter and information. The associate membership would not permit the individual to vote in club business.

If someone had an associate membership and they wanted to upgrade the membership they would have to meet the requirements currently in the bylaws for voting members. This would permit us to open our membership and retain voting census within the region most affected.

A second proposed bylaw change would be to specify the "service area" for voting membership. There was some discussion about what to include. Washington, Oregon, Idaho, western Canada, northern California, etc. were talked about. Please bring your ideas to the meeting.

This will be discussed at the November meeting. Please bring any wording changes or suggested wording with you in writing.

### Committee Reports

**1998 Regional Report-** Paula Rutherford was unable to attend the regional in Richland. We hope she is better and things are better for her. Show results are printed in this newsletter.

**1999 National Report.** Lynn Harty and Jan Tweedie report that the Tyee is formulating written rates, the caterer has been contacted and we are awaiting a written contract for meals. There will be two all level trailing events one on Thursday chaired by Noel Stockwell and one on Friday chaired by Jan Tweedie. This will afford those attending the chance to title dogs both days.

Jan will be meeting with the Tyee to establish what rates will be for those with and those without dogs. The original rates were for everyone and included a "dog deposit". There were a number of questions asked which Jan will seek answers to.

***Since this meeting I met with the Tyee. A person with NO dog will pay \$10 less per night (\$77 for single or double). A person with a dog will pay \$87 per night for the same room.*** The Tyee has refridgerators (small), roll-a-way beds, and microwaves available for rent (\$10 each per day) and there are limited quantities. There are several near by RV parks and the Tyee has limited space and no hookups for RV's. Folks making reservations for RV must do so directly with the hotel. There is a swimming pool, tennis court, pickle ball court and specified exercise areas for the dogs. They agreed to set up an outdoor bathing area because they do NOT want the dogs bathed in the rooms. They have "parlor suites" and jacuzzi suites as well as regular rooms. They have accessible rooms for the physically challenged as well. I

sent Lynn a copy of the hotel layout, grounds layout, Olympia phone book, rates quote and other information I gathered during my meeting. If there are additional questions or concerns please contact me and I will follow them up with the hotel.

### Old Business

**1999 Sweeps Judge ballots** were counted by Louise Uphus and Nancy Seanor Radabagh. There were 14 ballots received. The ballots were counted two different ways and verified by Uphus and Radabagh. Anne Legge received the most votes. The numbers in the brackets are: counting all sections the name appears in by 3 pts for 1st, 2 for second and 1 for third, the second number indicates counting each name only once on the ballot and using the points for the highest slot named only. The results are: Legge (44/26); Woodson (17/17); Mattson (11/11); Aguirre (2/2); Dunkel (4/4); Olzewski (2/2); and Jackson (4/4). Copies of the actual ballots were sent to PRBC President Suzi Paine for verification.

### New Business

**Slate of Officers.** The slate of officers was presented in the last newsletter. There were no nominations from the floor and none received in the mail. There was ONE change to the original proposed slate. Mike Tinkler asked to be changed from Vice President to Board Member and Lynne Aguirre agreed to switch with him. The change results in: President-Katie Cole, Vice President- Lynne Aguirre, Secretary-Jan Tweedie, Treasurer-Suzi Paine, Board Members Noel Stockwell, Mike Tinkler and Lynn Harty.

Meeting adjourned at 2:50 P.M.

### Minutes from 4/25/98 meeting:

#### IN MEMORIAM

CH. Legacy's Kilarney Kincaid

Owned and loved by Sid, Lynn, Josh and Justin Harty  
Admired and Entertained by MANY.

March 17, 1988 to October 1998

On March 17, 1988 Kincaid entered this world and it has never been the same. 'Caid was bred by Anne Legge and made his first show at the National in New York in the fall of 1988. He was a goofy, mischievous boob who loved his people more than anything. He was a quick learner who found out he could make folks laugh by ROOING and playing the tough guy. He used his handler, Gary Trivilino as a straight man and played the crowd. In spite of his twisted sense of humor he succeeded in the show ring and holds a place in the American Bloodhound Club Hall of Fame for Show Dog wins. He fancied himself the king of the world and would come running in to the house and launch himself up and on to the coffee table for all to admire. 'Caid sired one litter of babies before he realized that puppies were more trouble than they were worth. He was independent, silly, slept on his back with his feet in the air, and loved stealing things to chew. He was sweet old man who's heart will always be missed. 'Bye 'Caid. You are missed more than you will know.
