### PRESIDENT'S MESSAGE

Greetings P.R.B.C. members,

It seems that fall is in the air! The brilliant colors and the drop in temperature seems to have happened so quickly this year. With the busiest part of the show season over and the days getting shorter, it makes spending time with the guys a real challenge. I know that not everyone has the pleasure of their hounds in the house, but for me it allows that snuggling time in the evening that, I guess I prefer to do inside, instead of outside in the cold, dark backyard!

It seems to have been awhile since I've visited with some of you over the past year. I hope you will be able to make the November meeting. I've had a lot of great ideas come in on the subject of fund raising. It looks like what will be needed are just the members to coordinate and VOLUNTEER of their time and energy.

Please take the time to come and socialize with your fellow members and hound lovers ( maybe a fall apple crisp will be in the oven) there are many plans to make that will carry us into the next year and you wouldn't want to miss out.

Lastly I would like to extend my heartfelt thanks to the members of the nominating committee. A job well done!  
 Katie

### NW Bloodhound Breed Rescue

Happy Fall from Beau, Isabella, Nancy-puppy, McKinley, and maybe some more by the time of this publishing. 'Tis the start of the rescue season again for numbers to start growing, and they are. But, on the other hand, so has the generosity of several folks. Many, many thanks to Betty Henslee and Cheri Drake who purchased a huge assortment of new toys, which don't look so new anymore, but have been very, very enjoyed. Due to Peggy and Dick Eichenlaub, the guys have new collars, id tags, lots of chewies, and stainless steel bowls w/o any dents in them. The new shampoo they could have done w/o (Beau's sentiments) but the sterile eye ointment sure makes Nancy feel a lot better. The toe nail clippers should be crossed off anyone's list of donations (Isabella's comment). McKinley's chewing on her new bone, so she has no comments right now.

Additionally, a special thanks to Horizon Consultants who donated \$250.00 to each of the recognized ABC Breed Rescue groups, by challenging their company to match funds. To Rita Payne, a special thanks, for taking an awful event, and doing something wonderful. Her bloodhound calendar sales brought \$120.00 to NWBRA. To so many others who continue to support breed rescue by auction item donations, offers of checking out homes, etc., etc. I sincerely thank you. To Mary Michener many thanks for doing transportation duty across the mountains, and working on updating the information packet. The piece that each of you contribute to the whole has helped immensely over the last few months. From Beau, Isabella, Nancy-puppy, and McKinley many thanks, and may you always have slobbers on your walls and ceilings.

Best,

Adriana

### American Bloodhound Club Board Of Directors Report

*Submitted by Adriana Pavlinovic*

The ABC Board held its annual meeting in Carlisle, PA in conjunction with the ABC National Specialty. Several items were on the agenda, and specific board minutes will be published in the next ABC publication. A general ABC meeting was held as well, and again the minutes will be published in an ABC publication.

Due to several unplanned events, I needed to cancel my plans to attend the National last minute. Therefore, I was unable to attend the ABC Board meeting. Hence, I am not able to report on the agenda items at this time from the ABC Board meeting.

Prior to the meeting, Myron Robb had asked the ABC Board for approval on Debbie Cool to assume the position of 2nd VP replacing Terri Lukefahr, who had needed to resign due to family issues. Also, Myron had submitted MaryLou Olziewski as a candidate for board approval to complete the term of ABC representative to the AKC. Susan LaCroix-Hamil has resigned the ABC position, and will be representing her local kennel club at the AKC. The Board approved the two candidates.

The Board has received from SE Bloodhound Rescue an application for recognition as an ABC recognized breed rescue organization. Discussion at the Board meeting in Carlisle. Likewise Myron has presented several suggestions for Standing Book of Rules additions, modifications, etc., for the Board to discuss.

Respectfully,

Adriana Pavlinovic

## *What Can I Do For Bloodhound Rescue?*

Winter is coming quickly to the Northwest. Rescue can always use items to help keep the dogs warm and comfortable. Blankets are quite special this time of year, as are used towels for wiping mud off those paws before they come into the house! Food, leashes, bowls, *cash*, food, cookies, toys, chewies, food, *cash*, collars, fostering, transportation, etc...

Remember that each dog that comes into rescue must have a full veterinary check-up and spay/neuter. That is a large expense to rescue and they can always use those cash donations!

Another type of donation many people don't think about is the donation of their time. Is there a day you can donate to go clean the kennels? Exercise dogs? Groom dogs? Sometimes these special donations are sorely needed, and greatly appreciated! Give your local Bloodhound rescue a call....just ask what you can do for rescue...we already know what rescue does for us.

If you would like to have your dog featured in our Newsletter, just send the Secretary a photo!  
You may also e-mail photographs to columbia@aone.com. YOURS could be next!
