### Results from the Nominating Committee

In August, 2004, the Nominating Committee began their work to find three Board Members to run this year. The nominating committee consisted of Stacey Poler, Lynn Harty and Katie Cole. This year we are nominating new Board Members for 2005/2006. The committees **Nominated slate of Board Members:** Judy Robb, California; Cindy Partington, Washington; Noel Stockwell, Washington. Each of these members has agreed to serve a two-year term according to the bylaws, Article II, Section 1b. Additional nominations of eligible members may be made by written petition addressed to the Secretary and received at her regular address on or before October 15, 2002, and signed by 5 members, and accompanied by the written acceptance of such additional nominee signifying his/her willingness to be a candidate. (Article IV, Section 4b) If no valid additional nominations are received by the Secretary on or before October 15, 2003, the Nominating Committee slate shall be declared elected at the time of the annual meeting and no balloting shall be required. (Article IV, Section 4c). We thank Stacey, Noel and Lynn for their hard work!

*Our last issue of PawPrints was published on our web page. Due to technical difficulties, several members were unable to read the file. This issue contains much of the information that was included in last issue.*

### Minutes from meeting held April 3, 2004. Centralia, WA

Suzi Paine called the meeting to order at 11:35 at the Country Cousin Restaurant in Centralia, WA **Members present:** Terri Coffey, Lynn Harty, Jan Cook, Katie Cole, Suzi Paine, Paula Giddings, Noel Stockwell and Cindy Partington. **Guests:** Janis Hardy from NW Bloodhounds and Dave Lockridge. **Secretary's report:** Have not received any correspondence. Nothing to report at this time. **Treasurers Report:** PRBC has income of \$85 in dues and \$185 from trophy donations for \$270.00 income. No expenses. Checking balance is \$1811.68. Savings, \$1660.60 and our CD rolls over on April 7th and

(April minutes continued from page 2)

as of March the total was \$5684.20. Rescue income was \$354.22. One donation for \$100.00 from a person who Terri helped place her dog, the balance came from Regional Specialty income from the parade, which was about \$140.00, and the balance was from Robbie. We believe this money was supposed to go to our general fund. Katie will straighten that out with Kay. Our Rescue Fund total is now at \$2564.510. Motion was made by Terri Coffey to accept the Treasurers Report as written, Paula Giddings seconded, all in favor. Motion passed. **2004 Regional Specialty:** Cindy Partington reports we have had \$185.00 in donations from only four people, so we still have a lot of members who have not yet donated. BOB and BOW, along with their bronzes are all that have been spoken for. Everyone here take your choice now! Several were sold on the spot at the meeting! Everything seems to be on track for trophies! **Auction/Raffle:** At this time we don't have a lot of auction items, so if you have any hidden treasures, please bring them to the Regional! Raffle tickets are \$1.00 ea/3 for \$5/6 for 10! **Trailing:** Lynn Harty will be working with Janis Hardy & Northwest Bloodhounds who have agreed to work together on an EECT trial this year in conjunction with the Regional. The will be held at the Auburn Seventh Day Adventist Academy where the East end of the 200 acres is prime area for this event. NWBSAR will be helping us coordinate and run the trails. We are hoping that this event will be a preface to the 2005 National Specialty Trailing Trials. Janis says the academy lends itself to a multitude of levels of trailing. There will be ample room for 10 trails for the National. Lynn

Harty expressed her delight in how grateful and delighted PRBC is to be working with Northwest Bloodhounds SAR on this project! **Hospitality:** We will be keeping it real simple this year. We will be doing the box lunches again on Sunday, and Saturday we will order sandwiches and salads through the same place that Western Washington gets their food goods through. **Parade:** We will be having another parade like last year. It was very fun and brought in many non-show people and we had a blast!

**2005 National:** Our balloting is complete. Pier Rolandi, from Italy, won the voting for National Specialty Sweepstakes on a tiebreaker. Rick Byrd won the assignment to judge breed at the Regional the day after the National, and Becky Cozart won the vote to judge Regional Sweepstakes. Terri has sent letters to all three judges to confirm their assignments. She has received signed contracts from Rick Byrd and Becky Cozart. Pier Rolandi has confirmed via email, but his contract will take longer in the mail. Suzi received correspondence from Stacey Poler and Paula Giddings who originally volunteered to put on a Tracking Test for us. After researching the project, they have decided they are not confident in putting on a successful event. So, at this time, we are not looking at putting on a Tracking Test as we do not have anyone both qualified and knowledgeable to take on this huge project. Terri Coffey, as someone who has co-chaired a Tracking Test at the 1999 National in Hillsboro, Oregon, feels if a test is going to be done, it must be done by someone local. Long distance chairing of an event like this will not work. We spent months looking at sites and walking miles of track. Even then, we had to knock on doors the morning of the test as we ended up one TD track short. Noel asked us if it would be possible to get a local breed or tracking club that is experienced at this to

her dog for the first time since 2002. We need someone dependable with good communication skills. Janis Hardy is working with some NWBSAR personnel to see what they can do. We are looking at seven judges, not including our Trailing judges. All of the judges will be staying at Argus Ranch, and it is just the airport logistics that need to be worked out. If anyone else would like to take the responsibility of this job, please contact Suzi. **Auction:** Sherry Robertson is handling this and has a great item already for our "Big" auction item. **Rescue:** Rescue has been busy. We have had 2 dogs in 3 weeks and two more waiting to come in. Terri's daughter is getting married in two weeks and is way over her head in rescue. Millie was placed in Idaho and the home is very successful. Millie was bred by an ABC member who has offered to pay for the spay. Millie was placed on June 15th. We had another bitch come in with hip and elbow dysplasia; a torn cruciate ligament. She had nipped the family's 18 month old three times. When she tried to bite Corrie Coffey through the fence and she had to be euthanized. Last week Gaucho came in. An 18 month old neutered male. Gaucho went to a home in Spokane which Sid Harty did a home check on. These people came to Terri's to pick him up. That home is also a wonderful match. Rescue is booked. Any foster homes out there would be greatly appreciated!!!

**New Business:** Terri made a motion to purchase enough plastic containers to hold all of our PRBC goods that are here in storage. Katie amended the motion to spend \$150.00 on storage containers. All in favor, none opposed, motion passed. **Nominating Committee:** Nominations need to be made by September 1st. We

need three volunteers. Katie Cole, Lynn Harty and Stacey Poler volunteered to make up the committee. The positions needing nominations are the three board members.

Motion was made to adjourn the meeting. All in favor, none opposed, motion passed. Meeting adjourned.

Respectfully Submitted,

Terri Coffey, Secretary

## President's Message

Dear members,

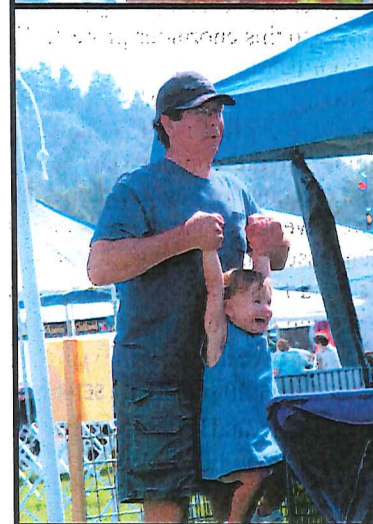

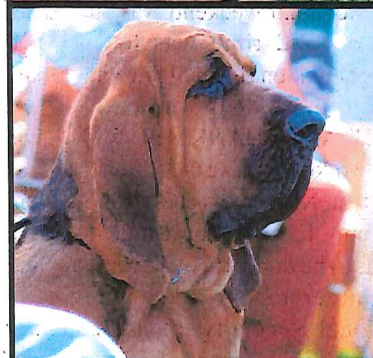

I hope you have all had a great summer and success in the ring and on the trail. Fall is definitely "fallen" upon us here in the Northwest; the leaves and the rain are falling earlier than usual.

The Regional weekend was successful and a good time was had by all. Congratulations to all of the winners and also to those dogs who passed their EECT! A big THANK YOU to all of you who worked to make the regional happen this year. Next year's challenge is before us - only 12 months away and so much needs to be done. If you haven't already volunteered to work on the 2005 National Specialty, please consider adding your talents and giving some of your time to this enormous project. We need your help!

Due to my increasingly forgetful memory, we didn't set a meeting schedule for the coming year at our August meeting. To begin, I'd propose that we have a meeting at the National in Tennessee in a few weeks. Terri, Louise and I have a villa for the week and we can get together there. I'm proposing Wednesday evening, October 6 at 6:30 p.m. This will be a dinner meeting, and I'm cooking! We'll have a meal together and take care of business at the same time!

## Rainbow Bridge

**CH. Windsor's M.H. Rubicon Crossing, "Rubi"** died on February 19th. Rubi was 8 1/2 years old. She'd produced seven AKC champions in conformation from her one litter of nine puppies in 1998. Rubi had lymphoma. She was owned and loved by **Ray and Kay Schmitt**.

**The Celts Black Watch** passed from bloat on May 10, 2004. Scottie is the sire of our Timmy and Caitlin. Scottie hated dog shows, but was a steady, sweet gentle boy that **Pete & Nancy Temple** miss terribly.

**Ryan and Stacey Poler** lost their beloved Newfoundland, **Nexus** in March. She is missed terribly by Ryan, Stacey, Trigger, Maizey, Cosby, and Hoser, and absolutely everyone who met her. She was a dog who touched the heart of anyone who knew her, even for a moment. She is missed...truly missed.

A loss that touched everyone at our Regional was word that **Pete & Nancy Temple** lost sweet **Timmy, Ch. The Celt's Clan Tartan** just days before the show. A welcome competitor with a temperament to be proud of, we were all saddened by this news. Our hearts go out to Pete and Nancy.

## NEW MEMBER

We have one new member. Jan Tweedie has re-joined PRBC as an Associate member! Welcome Back Jan!

If you are attending the National, please plan to join us that evening; I'll leave notice in hospitality of the location of our villa when we arrive on Monday evening, so please RSVP to me if you can make it. At that meeting, we'll talk about the coming year and plan a meeting schedule as well. We'll also count on a meeting on our usual meeting weekend in November at the Whidbey Island KC show; that will be Saturday, November 13.

That's all for now; I hope to see many of you in Tennessee. Meantime, remember to hug your hounds every day. Suzi
