

# PACIFIC RIM BLOODHOUND CLUB NEWSLETTER

Summer 1996

Volume 1, Number 1

Ringside at the White House..... (President's Message)

I would like to welcome all of the Pacific Rim Bloodhound Club new member applicants. Our membership is growing quickly! Not bad for a new Bloodhound club. We all had a grand time at the Breed Rescue Fun Weekend. Lots of great prizes and even better auction items. I know I like my umbrella and Kona loves her new cedar bed.

I am really looking forward to our first sponsored Regional Specialty to be held in Yakima next spring. That brings up an important decision we have to make right away! That is to choose a Sweepstakes Judge for the Regional. For those of you new to this show stuff a Sweepstakes Judge is someone who will come for free and is usually, but not necessarily, someone from out of the area who is a Bloodhound breeder, a person working on judging credentials or someone who is already a judge of other breeds and who is interested in adding Bloodhounds to his/her list of judge able breeds. You will find a half sheet asking for ideas of who we might ask to judge Sweepstakes next year. Please write down up to 3 people you would like to see judge Puppy and Veteran Sweepstakes next year. Make sure the person you recommend is willing to do the assignment BEFORE you submit their name. Make sure this is mailed in to Jan Tweedie by July 20, 1996 so that a ballot of the top 3 candidates can be mailed out for a final vote. This final vote will be taken at the August 17, 1996 meeting of the Pacific Rim Bloodhound Club.

Paula Rutherford has been busy working on a logo for the club. Some of her ideas are included in this newsletter. If you have any comments, ideas, artwork or input please get that to Jan or myself as soon as possible. We would like to finalize the logo at the next meeting!

I would like a column in this newsletter called "Great Accomplishments" or something like that. It would be all about our dogs and things they have done. This could be just a birthday, a find, or maybe just that fact that they are loved. If you want your dog included in this, write down your message or the facts and send it to me and we'll see what happens. I would really like to have all the member and dogs birthdays so we can throw those in. For people looking for a Bloodhound we can help get the word out and for those who add to their family we want to announce those as well! Bits and Brags. My fax number is 509-468-4299.

Finally, I want to know what kinds of activities you would like to see the Pacific Rim group do. Come to our next meeting with ideas and be ready to get involved. We will need lots of help for the Regional Specialty. The next meeting is August 17, 1996 at Suzi Paines home (8810 East G St,

Tacoma, WA). This will be a barbecue potluck. Call Suzi to find out what to bring (206-535-1408). Until then, Bonnie.
