

PACIFIC RIM BLOODHOUND CLUB NEWSLETTER

WINTER 1997

Volume 2, Number 1

NEXT MEETING

The next Pacific Rim Bloodhound Club meeting will be held on Saturday, March 8, 1997 in Centralia following the breed judging at the Timberland Valley Dog Fanciers Association show. We will move to a nearby restaurant (yet to be determined). Plan on attending this meeting as there are still many details regarding the Regional Specialty that we need to handle! We also need to look at possible sites for the 1999 National Specialty. Agenda items for this meeting include 1999 National site, dues issues, setting the meetings for the Spring, Summer and Fall meetings, decisions on expeditors, whether PRBC should place an ad in the Regional Specialty catalog, regional rescue and litter news.

FROM THE PRESIDENTIAL PALACE

"Well, hopefully all of us have survived the dreadful weather this winter has brought. I, for one, hope to never see another winter like this one. We spent 6 days without electricity and needless to say our house got really cold and we spent a lot of time in bed.

Our Regional is fast approaching. If you haven't made your plans yet you better hurryup or all the rooms will be gone! All final plans will be made at the March 8 meeting in centralia. As for "my job" **Hospitality** I will have a sign up sheet for people to choose which of the chef salad parts they want to bring. Another item on the meeting agenda is the 1999 National to be hosted by none other than Pacific Rim Bloodhound Club. We have come up with a location "The Inn at Semi Ah Moo" near the Canadian border. The Canadian Bloodhound Club is talking about hosting their National right after ours. It could work. We will be making some major decisions at this meeting so if you have comments or ideas and won't be able to attend call me. Until Centralia, Bonnie"

IN MEMORIAL

JUSTICE'S HARLEY DAVIDSON CD. CGC. "Ernie"

Pacific Rim Bloodhound Club sends our sympathy to Mike and Betty Henslee on their loss of Ernie. Ernie became ill in November with metastatic cancer in his abdomen. Ernie died in Betty's arms. He was just 4 years old. Ernie did well in the obedience ring and was unimpressed with the show ring preferring to stick close to Betty and love the Henslee's and he did that so well. Ernie is deeply missed. Ernie was bred by Lynn & Sid Harty and Jan Tweedie.

CH. LEGACY BRANDED HUD "Hud"

Pacific Rim Bloodhound Club sends our sympathy to Lynn and Sid Harty on their loss of Hud. Diagnosed with oral melanoma in the late spring of 1996 Hud was doing well and full himself as always. In late November - early December Hud became ill and after exploratory surgery it was discovered that a second kind of cancer was growing near his bladder. This cancer was inoperable. Hud died peacefully with Sid right beside him. Hud was a successful search dog, a show champion and loved his friends and family. Hud was bred by Anne Legge. He would have been 10 in January 1997.

It hurts so much to love so much and lose them.
